Finalist, National Invitational Tournament of Champions
Chandler, Arizona

Dear Leah:

Congratulations on being selected to participate in the National Invitational Tournament of Champions at Union University in Jackson, Tennessee, in May. You should take great pride in your skill and accomplishment in both speech and debate as members of Stoa and its affiliate, the Mars Hill Speech/Debate Club.

This is a wonderful opportunity for you to participate and express your skills to become effective communicators. Your parents and leader must be extremely proud of you. This achievement reflects positively on your hard work and dedication to the skills you have gained.

Once again, I would like to extend my best wishes for your continued success.

Sincerely,
